Pastor Atkinson is an energetic speaker with an expository narrative style that allows worshippers under the sound of his voice in teaching or preaching to grasp and apply God's word to their everyday lives. Pastor Atkinson believes that "No one under the sound of his voice shall leave the same way they came in, but leave with a greater revelation of God in their life."

Above all, Pastor Atkinson is an anointed man of God, who has been called and commissioned to equip the Saints for victorious kingdom living and service. He has preached, lead conferences and served in leadership with the former NC Church of God Ministerial Campground Association. He is also actively involved in numerous religious and community organizations within Mecklenburg County, state of North Carolina and in the United States. Pastor Atkinson has served as the NC General Assembly of the Church of God State Chairman for two terms leading a leadership team to oversee over 40 churches and organizations. As an anointed leader, he is well sought out as a preacher, teacher and in leadership training, and he has preached in countless mainline Denominations.

Pastor Atkinson is a Preacher, Teacher and Visionary. During his tenure at "The Heights", as he calls it, the church has developed and evangelistic vision, and grown dramatically both in laborers for the harvest and in ministries to edify the body of Christ. Believing that God's call, charge and commission to his people is for them to be involved and take responsibility in civic duty, family, community, and work place beyond the church walls.
