Pastor Andy Thompson

Today, people get very nervous when people start to talk about Revival in America. But over the past two decades, Pastor Andy Thompson has led revival in the southeastern region of the United States of America. God has used him to both plant and lead the explosive 15,000-member strong World Overcomers Christian Church, which is one of the fastest-growing churches in America. But God is also using him to impact over 1 million people each week through his innovative, in-your-face, Faith-Filled television program called “The Truth” for over ten years.

Pastor Andy Thompson has been very busy spreading this revival through his many books, media campaigns, and his no-holds-barred cultural commentary. He has planted 6 churches, spearheaded international philanthropic projects, and conducted live speaking events all across this nation and the world -causing him to be globally recognized as the foremost faith teacher of his generation.

Pastor Andy Thompson is a “balanced-life” strategist, and a master teacher on this subject causing him to be called upon by spiritual, political, and business leaders alike for his council and guidance on topics ranging from business and organizational dynamics to REAL Family building and right down to the redefined Faith Message.
